GENERAL NOTES:

We are a family owned and operated business in South Florida for 21 years. We are approved vendors for numerous property management companies. Performing dryer vent cleanings on a larger scale is one of our specialties. We not only perform all work to SMACNA Standards but are proficient and verse in condominium high rises, dealing with different scheduling needs and working with the maintenance staff on site.

All power vacuum equipment used is HEPA rated 99.97% per NADCA Standards using source removal methods.

GENERAL EXCEPTION(S):

RECOMMENDATIONS: Dryer vent hoses found damaged, cramped or not up to code can be replaced with a new dryer clamp and a aluminum Code dryer hoses for \$35.00. As a per need basis. It is dangerous when there is a plastic dryer vent hoses like the one we found in 193 Lakeview Dr #104. It is not up to code and is a dryer hazard. Must homeowner are not even aware of this.
