

FREE CUSTOMIZED VENDOR INVITATION CARDS

As an added service to select Property Management firms, we would like to offer you an order of vendor cards to help sync with existing and future vendors. In addition to e-mail invitations, these cards are great for handing out easy-to-follow registration instructions to vendors. These cards will include your logo, and appear nominally as illustrated above.

Your staff may use these cards for...

- Delivering to your existing vendors
- Delivering to new vendors
- Handing to vendors on-site or in your office.
- Distributing at vendor networking events such as trade shows or luncheons

We can also include an optional **Invite Code** of your choice so that any Vendor that signs up with this code will be automatically added as a “Preferred Vendor”. Keep in mind, if you choose this option, you can still manually remove anyone you don’t want in your account’s preferred vendor list.

If you’d like to take advantage of this free opportunity, contact your MyVendorCenter.com account representative for more information or to place your order.
