RFP#: 173606

RFP Title: Storage Road Grade/Pave
Windsor Park of Tampa Homeowner s Assn Inc

ABOUT THIS REPORT

Please review the following Proposal Report in its entirety. Once reviewed, please log into your free, online manager account and report your community's position on the matter within 15 days of close. Reporting the status or outcome of an RFP will instantly give all vendors, who worked diligently in providing a free estimate, the proper notification of where they stand.

PROMOTING FAIRNESS

These quotes have just gone through a digitized version of a **sealed bidding** process. This means that all vendors have submitted their quotes without any outside parties being able to view, share, or modify any proposals ahead of the bidding close date. The prices and information that are received in the **Proposal Report**, produced at the close of the bidding process, are guaranteed to be the original, unedited quote from every contractor. This process conforms to the strictest sealed bidding laws in the nation.

CLEANING UP THE MESS

This proposal report utilizes a patent-pending process to **centralize** all related bids for a more **consistent** format. The end result is less paperwork to manage and less time spent on making an informed decision.

PROTECTING THE COMMUNITY

Each and every vendor who submitted a quote for this RFP has met, or exceeded your predetermined **minimum requirements** for liability insurance, worker's compensation, & licensing. Supporting documents (insurance policies, licenses, etc.) are provided in the proposal packet as part of this sealed bidding process. In addition, every vendor within this report has an **"apple rating"** that is based on the quality of their work and customer service with other communities. This should reduce the likelihood of hiring a "fly by night" contractor that may leave a project unfinished, completed poorly, and/or without warranty.

UNDERSTANDING A VENDOR'S PRICE

Vendor pricing can vary greatly, even when compared **"apples-to-apples."** Some of the many reasons for varying quotes include acquisition fees, insurances, employee benefits, sales commissions, warranties, capital equipment, quality of workforce and materials, experience of estimators, and profit margin. By having multiple bids through a competitive, sealed bidding process, you have a better chance of a lower cost.

STAYING ORGANIZED

Any information received through this software system will be saved for future reference and use. This includes pictures, proposals, scopes of work, and any other documents related to a proposal request. All can be retrieved by simply logging into your free online manager account.

TOTAL AMOUNT PROPOSED:	\$0.00	\$14,795.02	\$19,216.00*

* Designates exception for 1 or more line items. Please see vendor notes on the following pages for details.

LINE ITEM #1: Storage Road Grade/Pave.

We have a current "gravel" storage road that needs repairs, including:

1) Correcting grade for low spots and flooding at gate. Entire storage access road should be filled to current nominal high point. See photo "StorageYardFlooded" under "Additional Documents". This access road connects to an existing paved surface that services one of the recreation areas.

2) Check condition of existing drainage culvert near gate. Advise on whether it requires clearing, repair, or replacement.

3) Surface the road.

Option 1: We would like proposals for a porous rock/aggregate or similar surface, with option for a fabric underlayment.

Option 2: We would like proposals for asphalt to match up to the existing asphalt pavement.

4) Provide additional recommendations for draining the area South of the storage yard, please price and make these recommendations separately under Line Item #3.

5) Provide recommendations for a curb or other surface to preserve a clean track and allow the gate to roll easily. Please respond and price this item in Line Item # 2.

DuraSeal Asphalt Sealing and Paving:	LINE ITEM PRICE: \$ 9,855.00
NOTES: Remove existing 6" pipe across drive. Install 24 linear feet of 12" culvert pipe. Install 4" millings to an area totaling 2,352 sq. ft.	
*Option to install underlayment fabric before installing millings. Add \$1,070 to the price	
*Option to excavate area and pave: Excavate an area totaling 2,352 sq.ft. to a depth of 7.5 inches. Remove 6" pipe and dispose. Install 24 linear feet of 12" culvert pipe. Install 6" of base and pave with TYPE S-3 asphalt, compacted to 1.5 inches. Compact to a smooth finish. Add \$2,606 to the price	
EXCEPTION(S): NONE	

LINE ITEM #2: Curb/paving for Gate Roller.

Please provide a proposal for a roller curb for the yard access gate. This should serve the following purposes:

- 1) Allow the gate to roll smoothly at all times
- 2) Prevent the road material from obstructing the gate operation.

This could be a poured concrete or other construction. It may have to act as a backstop to any raising of the road height in Line item #1, and may also need to be "ramped" into the storage area if current grade is raised.
