Mr. Know It All

Polar Falls

RFP#: 594960

Security Job Test

ABOUT THIS REPORT

This comprehensive report includes all of the participating vendors and their responses, based on the identical scope of work provided to each company. The first page of the report includes an easy-to-read comparison of the more essential items related to each vendor, including contact information, compliance status, and proposal pricing. The second page includes a breakdown of each vendor's price, line-item by line-item. Following the second page are complete responses to the scope of work provided, including the vendor's recommended solution, warranties, and attached documents (if applicable)..

PROTECTING THE COMMUNITY

Each and every vendor who submitted a quote for this request has met, or exceeded, the predetermined minimum requirements for insurance and licensing (if applicable). Supporting documents (insurance policies, licenses, etc.) are provided in the digital version of the entire proposal report. In addition, every vendor within this report has an "apple rating" that is based on the quality of their work and customer service with other communities. This should help increase the likelihood of hiring the best contractor at the best possible price.

UNDERSTANDING A VENDOR'S PRICE

Vendor pricing can vary greatly, even when compared "apples-to-apples". Some of the many reasons for varying quotes include acquisition fees, insurances, employee benefits, sales commissions, warranties, capital equipment, quality of workforce and materials, experience of estimators, and profit margin. Multiple bids through a competitive bidding process is an important part of the solution to finding the right vendor for the job.

STAYING ORGANIZED

Any information related to this report has been digitally recorded for future reference or use. All related materials will be available for review in case a re-bid, punch-out list, warranty request, or dispute regarding the final product or service with a hired vendor is required.

THIS IS NOT A SEALED BID. ALL PRICES WERE VISIBLE UPON BID SUBMISSION FROM VENDORS.

your residents can depend. On the other hand, a revolving door of security officers can signal a problem, is costly and undermines confidence in what should be the perception of a safe and secure environment.

Customer Service as an Extension of DC Ranch's Security Program

Security services do not end with patrols and access monitoring. By the nature of their position, and the respect they command, the security officers at your site can become customer service ambassadors providing information, greeting guests and serving as a resource. It takes the right officer and the right training for this to be highly effective.

Ensuring a Quality Security Program with Measureable Results

If you can't measure it, you can't manage it. In today's business world it's becoming increasingly important to establish performance standards and measure results. To take your security service to a higher level, we will be focused on quality assurance.

Thank you for extending the opportunity to present the value we can bring to DC Ranch Association. We look forward to having the opportunity to prove our strengths. If you have any questions, please contact me at 323-841-5367 or brian.hampton@alliedbarton.com.

Sincerely,

Brian Hampton

NOTES: Sandra Breiling

DC Ranch Association

20555 N. Pima Road
Scottsdale, AZ 85255

Dear Ms. Breiling:

On behalf of our Mesa district support team, it is our pleasure to participate in the DC Ranch Association security RFP process. The enclosed response includes detailed information regarding AlliedBarton Security Services and how we can help you to achieve your security and business objectives.

It is our hope that our strong combination of excellent local management resources, expertise in residential communities and our award-winning learning and development programs will make us the clear choice to be your security partner. In our recent site visit, we got a good idea of how the security program operates and how the security team interacts with the residents, visitors, and vendors. AlliedBarton has experience in gated communities and depth of resources and will share best practices to help make an immediate enhancement for DC Ranch Association.

AlliedBarton is proud to tailor its services specifically to meet the needs of DC Ranch. Even though we are able to share Best Practices from our many residential clients, AlliedBarton designs the overall security approach to address your community. From our walkthrough, the following areas were discussed, and we have offered some suggestions on how they can be addressed.

Minimizing Turnover to Foster a Consistent Security Program for DC Ranch

A stable security staff has a greater depth of understanding of your site, and becomes a more reliable presence upon which you and your residents can depend. On the other hand, a revolving door of security officers can signal a problem, is costly and undermines confidence in what should be the perception of a safe and secure environment.

Customer Service as an Extension of DC Ranch's Security Program

Security services do not end with patrols and access monitoring. By the nature of their position, and the respect they command, the security

officers at your site can become customer service ambassadors providing information, greeting guests and serving as a resource. It takes the right officer and the right training for this to be highly effective.

Ensuring a Quality Security Program with Measureable Results

If you can't measure it, you can't manage it. In today's business world it's becoming increasingly important to establish performance standards and measure results. To take your security service to a higher level, we will be focused on quality assurance.

Thank you for extending the opportunity to present the value we can bring to DC Ranch Association. We look forward to having the opportunity to prove our strengths. If you have any questions, please contact me at 323-841-5367 or brian.hampton@alliedbarton.com.

Sincerely,

Brian Hampton

NOTES: AlliedBarton fully understands and can accomplish these objectives. With our national support and local response, we have the best practices and management processes in place to ensure your key performance indicators (KPIs) are met and exceeded.

Quality Assurance

Quality is the foundation of AlliedBarton's security services. It is the factor that consistently differentiates us from other companies, and it is the primary reason we are regarded as the industry's most responsive security services provider.

Our senior management group works as a team in order to develop and implement innovative new programs and operational practices. We use cross-functional teams for special quality-improvement initiatives. District staff works toward the common objective of providing service that exceeds your expectations. Our security officers pledge their commitment to our Dare to be GREAT culture which includes a strong quality component.

Measuring Results

We offer the best security programs available. But there is room for improvement in every organization. In order to provide you with the best possible service, we regularly review and measure our performance. Some of our measurements and evaluations include:

- Weekly service hours - OT, billed OT, billed hours
- Employee retention and tenure
- Recognition and rewards
- Training
- Incidents
- Performance evaluations
- Trends
- Customer satisfaction survey results
- Best practices
- Goals and improvement processes

Quality Business Reviews

Regularly scheduled assessments are reported and reviewed in meetings between your security management team and AlliedBarton's local management. These reviews are designed to:

- Review accomplishments
- Create benchmarking for future reviews
- Establish measurable goals

Voltage Alaska Engineering:

LINE ITEM PRICE: \$ 65,465.00

NOTES:

Minimizing Turnover

An effective security program is about just one thing: great people. Everything we do at AlliedBarton ultimately comes down to finding and retaining the right officers and managers. We maintain staff turnover at an absolute minimum thanks to superior recruiting, screening, and officer selection, and continue through training and ongoing development.

The elements of staffing stability are complex, and include adequate wages and benefits, proper hiring, competent supervision, comprehensive training, employee recognition, opportunities for advancement and on-going performance evaluations. AlliedBarton is proud to have one of the lowest turnover rates in the industry locally and on a national level.

The Right Wages for the Right Officers

We understand the critical role the security officer plays at DC Ranch in their regular interactions with your residents, guest and vendors. For this reason, AlliedBarton is proposing a starting wage for security officers of \$13.00 per hour with the opportunity to advance to \$13.50 after six months and \$13.75/\$14.00 after 12 months, based on criteria set by AlliedBarton and DC Ranch Association management. Criteria will be training and performance based (example: no complaints, appropriate attendance, appropriate incident reporting). This wage will enable the recruitment of quality security officers who possess the Dedication, Security Mindset and Customer Service approach needed to mirror the expectations at DC Ranch. Any agreed upon increase in wages will be honored with established markup proposed.

Position	Wage	Min. Tenure	Min. Suggested Training Criteria
Security Officer Level I	\$13.00		AED/CPR & MSO I
Security Officer Level II	\$13.50	6 months	Fire Safety & MSO III
Security Officer Level III	\$13.75	12 months	MSO V & 2 EDGE Courses
Security Officer Level IV	\$14.00	12 months	School of Residential Security

Meaningful Benefits - Employees at all levels deserve benefits that contribute directly to quality of life. Comprehensive benefits are part of the

Medical, Dental and Vision Insurance (Details attached)

Disability and Life Insurance

Paid Vacation

401 (k) with company match

Pay cards

Legal Services

Blackstone MarketPlace

Please see pages 33-37 of proposal for more benefits detail.

Customer Service

The AlliedBarton **Ambassador**SM program is designed to produce security officers capable of delivering the perfect combination of skill, professionalism and friendly service to our clients' customers. AlliedBarton is leading our industry in formally evolving the traditional security officer role to include a strong focus on customer service. This has proven effective in environments that place a premium on customer service. **The program is designed to focus as much on concierge service and a five-star atmosphere as it does first-class security operations. The program relies on specialized recruiting and training.**

The AlliedBarton program demonstrates the complex and multi-faceted role of the security officer. Many security officers are called upon to perform other functions, whether those are part of their official role or not. When your needs for high quality security and customer service are intermixed and equally important, AlliedBarton is the answer.

AlliedBarton will continually look for ways to get involved with the community of DC Ranch and embrace its culture. To do so, we offer a few opportunities to increase customer service by our involvement within the community.

Community Relations and Safety & Security Initiatives - Upon awarding us the DC Ranch Association security partnership, we will organize and execute an open-house reception with food & beverage, to allow residents to meet our team. We can provide safety & security tips for any internal and external communication tools DC Ranch Association may provide its residents.

Security & Safety Seminars - AlliedBarton can provide seminars for homeowners on a variety of security-related topics, including Workplace Violence, Workplace Safety, Preventing Identity Theft and other pertinent subjects. AlliedBarton will offer two CPR/First Aid/AED classes (1/2 Day Class) each year at no charge to the Association. DC Ranch Association staff and residents are invited upon direction of DC Ranch Association management. Participants must pay for the cost of the card only (\$9-\$12.00).

Security Awareness & Appreciation Events - AlliedBarton is continuously developing client outreach services that complement your security program. We will do everything possible to foster peace of mind and a sense of security among your residents and guests. This includes participating in a minimum of one community event during the year upon request.

Safety & Security Awareness Tips - AlliedBarton publishes a series of Security Awareness Tips, providing insight for individuals on how to protect themselves and their assets. These pamphlets cover a multitude of topics ranging from fire safety and AEDs, to travel security and personal protection.

AlliedBarton.com - Our award-winning website is a valued resource for our clients one that continues to evolve. It provides updated resources for our clients use.

PerformanceManagement

AlliedBarton|**Path**, our performance management software helps our managers effectively evaluate performance - their own as well as their employees. The program includes online evaluation forms, goal planning and in-person meetings.

Our performance management program is linked to the AlliedBarton|**EDGE**. By coupling performance management with our comprehensive approach to learning and development, managers can recommend training that will help employees reach their goals.

To increase customer service at any location, it first involves the officers. Our solution involves a wide range of processes for which has proven to be successful across the country in thousands of locations. Recruiting the right people for the right job is the foundation to excellent customer service. It is enhanced and developed by world class training and managing for success as outlined above. Our solution will lead to increased customer service for DC Ranch Association.

NOTES:

Minimizing Turnover

An effective security program is about just one thing: great people. Everything we do at AlliedBarton ultimately comes down to finding and retaining the right officers and managers. We maintain staff turnover at an absolute minimum thanks to superior recruiting, screening, and officer selection, and continues through training and ongoing development.

The elements of staffing stability are complex, and include adequate wages and benefits, proper hiring, competent supervision, comprehensive training, employee recognition, opportunities for advancement and on-going performance evaluations. AlliedBarton is proud to have one of the lowest turnover rates in the industry locally and on a national level.

The Right Wages for the Right Officers

We understand the critical role the security officer plays at DC Ranch in their regular interactions with your residents, guest and vendors. For this reason, AlliedBarton is proposing a starting wage for security officers of \$13.00 per hour with the opportunity to advance to \$13.50 after six months and \$13.75/\$14.00 after 12 months, based on criteria set by AlliedBarton and DC Ranch Association management. Criteria will be training and performance based (example: no complaints, appropriate attendance, appropriate incident reporting). This wage will enable the recruitment of quality security officers who possess the Dedication, Security Mindset and Customer Service approach needed to mirror the expectations at DC Ranch. Any agreed upon increase in wages will be honored with established markup proposed.

Position	Wage	Min. Tenure	Min. Suggested Training Criteria
Security Officer Level I	\$13.00		AED/CPR & MSO I
Security Officer Level II	\$13.50	6 months	Fire Safety & MSO III
Security Officer Level III	\$13.75	12 months	MSO V & 2 EDGE Courses

Security Officer Level IV	\$14.00	12 months	School of Residential Security
---------------------------	---------	-----------	--------------------------------

Meaningful Benefits -Employees at all levels deserve benefits that contribute directly to quality of life. Comprehensive benefits are part of the AlliedBarton experience. All benefits below are included in the officer bill rate. Holiday pay will be direct billed.

- Medical, Dental and Vision Insurance (Details attached)
- Disability and Life Insurance
- Paid Vacation
- 401 (k) with company match
- Pay cards
- Legal Services
- Blackstone MarketPlace

Please see pages 33-37 of proposal for more benefits detail.

Customer Service

The AlliedBarton **AmbassadorSM** program is designed to produce security officers capable of delivering the perfect combination of skill, professionalism and friendly service to our clients' customers. AlliedBarton is leading our industry in formally evolving the traditional security officer role to include a strong focus on customer service. This has proven effective in environments that place a premium on customer service. **The program is designed to focus as much on concierge service and a five-star atmosphere as it does first-class security operations. The program relies on specialized recruiting and training.**

The AlliedBarton program demonstrates the complex and multi-faceted role of the security officer. Many security officers are called upon to perform other functions, whether those are part of their official role or not. When your needs for high quality security and customer service are intermixed and equally important, AlliedBarton is the answer.

AlliedBarton will continually look for ways to get involved with the community of DC Ranch and embrace its culture. To do so, we offer a few opportunities to increase customer service by our involvement within the community.

Community Relations and Safety & Security Initiatives - Upon awarding us the DC Ranch Association security partnership, we will organize and execute an open-house reception with food & beverage, to allow residents to meet our team. We can provide safety & security tips for any internal and external communication tools DC Ranch Association may provide its residents.

Security & Safety Seminars - AlliedBarton can provide seminars for homeowners on a variety of security-related topics, including Workplace Violence, Workplace Safety, Preventing Identity Theft and other pertinent subjects. AlliedBarton will offer two CPR/First Aid/AED classes (1/2 Day Class) each year at no charge to the Association. DC Ranch Association staff and residents are invited upon direction of DC Ranch Association management. Participants must pay for the cost of the card only (\$9-\$12.00).

Security Awareness & Appreciation Events - AlliedBarton is continuously developing client outreach services that complement your security program. We will do everything possible to foster peace of mind and a sense of security among your residents and guests. This includes participating in a minimum of one community event during the year upon request.

Safety & Security Awareness Tips - AlliedBarton publishes a series of Security Awareness Tips, providing insight for individuals on how to protect themselves and their assets. These pamphlets cover a multitude of topics ranging from fire safety and AEDs, to travel security and personal protection.

AlliedBarton.com - Our award-winning website is a valued resource for our clients one that continues to evolve. It provides updated resources for our clients use.

help your team with sitespecific issues, concerns, and new trends at DC Ranch Association. This training will focus on specific areas of importance to you ensuring that we are providing relevant training that can make an impact for the community. We will focus on our **School of Residential Security** and **Master Security Officer** certification programs. These will address higher level training needs for customer service while preparing the team to take the next step in their security career. More details about our training programs can be found between pages 36 and 48.

Turn-Over: Profit at Risk

It is the goal of AlliedBarton to have zero turn-over of officers in a community. The overall strategy of, taking care of the officers, has helped AlliedBarton lead the industry in low turnover. AlliedBarton is confident that the turnover percentages will decrease as the Dare to be Great culture and our management processes are implemented into the security program at DC Ranch. AlliedBarton offers a Profit at Risk opportunity to help monitor and improve turn-over. The program works as follows:

If AlliedBarton attains the metrics below, we will either be awarded an incentive or will forfeit direct profit. This program risk approximately .5% of revenue each quarter. Turnover will be measured quarterly and paid quarterly on next billing cycle. (*% based on 37 FTE). Please note that all turn-over is measured. Please note that this program and measurement of turn-over will not deter AlliedBarton from promoting officers if their development and career path are justified, nor will it deter AlliedBarton from terminating an employee with just cause if needed to improve the security at DC Ranch.

Estimated Turn-Over %	Estimated FTE	Incentive/(Penalty)
9%	1 officer	\$1,800
22%	2 officers	\$900
32%	3 officers	\$0
43%	4+ officers	(\$1,800)

Contrary to popular belief, Lorem Ipsum is not simply random text. It has roots in a piece of classical Latin literature from 45 BC, making it over 2000 years old. Richard McClintock, a Latin professor at Hampden-Sydney College in Virginia, looked up one of the more obscure Latin words, consectetur, from a Lorem Ipsum passage, and going through the cites of the word in classical literature, discovered the undoubtable source. Lorem Ipsum comes from sections 1.10.32 and 1.10.33 of "de Finibus Bonorum et Malorum" (The Extremes of Good and Evil) by Cicero, written in 45 BC. This book is a treatise on the theory of ethics, very popular during the Renaissance. The first line of Lorem Ipsum, "Lorem ipsum dolor sit amet..", comes from a line in section 1.10.32.

The standard chunk of Lorem Ipsum used since the 1500s is reproduced below for those interested. Sections 1.10.32 and 1.10.33 from "de Finibus Bonorum et Malorum" by Cicero are also reproduced in their exact original form, accompanied by English versions from the 1914 translation by H. Rackham.
