

PROUDLY SERVING SOUTH FLORIDA FOR OVER 25 YEARS

COMMERCIAL - RESIDENTIAL

Welcome to GCL Construction we are a fully licensed General Contractor and Roofing Contractor in the State of Florida. GCL specializes in complete association and residential restoration. We are a certified Green Advantage Builder, certified Home Inspectors, and we also specialize in the shell construction for all commercial, residential, and industrial projects. GCL is SBE & CBE certified, capable of bidding and performing work on county and state projects.

GCL has been successfully serving South Florida for over 25 years, our goal is to not only help you design and build your dream home, but to make the process easy and enjoyable for you. We can help you with all phases of new custom home construction or the remodeling and additions to your existing home. We provide free proposals for your project no matter the size.

Our excellent reputation and long list of satisfied clients attest to our superior craftsmanship, attention to detail, clear communication, honesty and integrity. Just ask for our client reference list and pictures of our accomplishments.

GCL Construction can provide you with a complete staff to serve your communities construction & maintenance needs.

Why pay multiple subcontractors when we can design and staff all of your association needs.

Impact Window Installation

**Did you know
Associations are labeled the
cash cows of Florida.**

Even if you already have a contractor are you sure they are installing what you paid for?

Are they installing the proper roofing material you agreed on?

Are they applying the correct paint you agreed on?

These things may seem minor, but they can add up to millions.

**GCL has maintained its
trustworthy reputation for
over 25 years.**
