To Whom It May Concern:

We have contracted Groundkeepers, Inc. since 2008 to perform lawn maintenance services within Dolphin Mall, located in Miami, Florida. Their attention to detail, prompt response time, and keen knowledge prove to be, with no doubt, the right choice for the Dolphin Mall.

From the time we initially contracted Groundkeepers, Inc., we were extremely pleased with the level of service, superior work ethic and quality of products applied. The application of environmentally friendly materials used throughout the property for different purposes like palm injections, weed control also helped eliminate damage and maintenance concerns within the development. The level of professionalism shown not only from Andrew J. Gonzalez and his staff is exceptional.

Groundkeepers, Inc. is prompt and thorough in the work being completed, and all aspects of the work being performed with precision workmanship. I highly recommend Groundkeepers, Inc. with the utmost confidence.

If you have any questions, please feel free to contact me at the listed number.

Yours truly,
