To Whom It May Concern:

Please accept this letter of recommendation for Groundkeepers, Inc. Andrew J. Gonzalez and his staff excel on customer service, products and prices. I have had the great pleasure of doing business with Groundkeepers for the past three (3) years and every task has been completed in a timely manner and on budget. They exceeded my standard of safety, quality, responsiveness and cleanliness.

In the past three years I have experienced the quality of work performed by Groundkeepers and witness the pride they take in each task; big or small. Groundkeepers has all the resources necessary to handle any landscape maintenance issue including but not limited to irrigation repairs, tree planting, turf replacement, aeration, top-dressing, prepping of ball fields and fertilization.

I strongly believe that Groundkeepers, Inc. is a premiere landscaping company with excellent employees that work hard to provide the best services.

If you have any questions please do not hesitate to contact me.

Sincerely,

Fanny Carmona Gonzalez, CPRP
