RFP#: 635783

RFP Title: STR Pressure Washing - 2012
Summit Trail Homeowner s Association Inc

ABOUT THIS REPORT

Please review the following Proposal Report in its entirety. Once reviewed, please log into your free, online manager account and report your community's position on the matter within 15 days of close. Reporting the status or outcome of an RFP will instantly give all vendors, who worked diligently in providing a free estimate, the proper notification of where they stand.

PROMOTING FAIRNESS

These quotes have just gone through a digitized version of a **sealed bidding** process. This means that all vendors have submitted their quotes without any outside parties being able to view, share, or modify any proposals ahead of the bidding close date. The prices and information that are received in the **Proposal Report**, produced at the close of the bidding process, are guaranteed to be the original, unedited quote from every contractor. This process conforms to the strictest sealed bidding laws in the nation.

CLEANING UP THE MESS

This proposal report utilizes a patent-pending process to **centralize** all related bids for a more **consistent** format. The end result is less paperwork to manage and less time spent on making an informed decision.

PROTECTING THE COMMUNITY

Each and every vendor who submitted a quote for this RFP has met, or exceeded your predetermined **minimum requirements** for liability insurance, worker's compensation, & licensing. Supporting documents (insurance policies, licenses, etc.) are provided in the proposal packet as part of this sealed bidding process. In addition, every vendor within this report has an **"apple rating"** that is based on the quality of their work and customer service with other communities. This should reduce the likelihood of hiring a "fly by night" contractor that may leave a project unfinished, completed poorly, and/or without warranty.

UNDERSTANDING A VENDOR'S PRICE

Vendor pricing can vary greatly, even when compared **"apples-to-apples."** Some of the many reasons for varying quotes include acquisition fees, insurances, employee benefits, sales commissions, warranties, capital equipment, quality of workforce and materials, experience of estimators, and profit margin. By having multiple bids through a competitive, sealed bidding process, you have a better chance of a lower cost.

STAYING ORGANIZED

Any information received through this software system will be saved for future reference and use. This includes pictures, proposals, scopes of work, and any other documents related to a proposal request. All can be retrieved by simply logging into your free online manager account.

Green Earth Powerwashing:	LINE ITEM PRICE: \$ 2,995.00
NOTES: Sidewalks: Green Earth proposes to clean all common area sidewalks throughout the Community as per the information provided. The cleaning will be done using 200+ degree hot water. Sidewalks will be treated with Oxi One to slow the regrowth of mold and mildew. Oxi one is a 100% green cleaner and does not contain any bleach or chlorine and is not harmful to plants, grass or any other vegetation. Water: Green Earth will supply its' own water for this cleaning project. We will have a water meter installed by the county to a fire hydrant located within the Community. • Green Earth guarantees that this cleaning process will have absolutely no affect on any plants, grass, trees, etc... located adjacent to the areas being cleaned • Green Earth Powerwashing & Recovery is a drug-free working place. • Green Earth Powerwashing & Recovery will use the utmost care to protect people and property with the least inconvenience to its' residents and visitors. • A Green Earth manager will be on site with trained, uniformed staff throughout the cleaning project. • A detailed work schedule would be provided 2 weeks prior to the start of the project. Proposal also attached.
