To Whom It May Concern:

In 2003, the City of Hialeah Gardens set out to improve the overall appearance and perception by increasing the quality of the landscape and maintenance of all common areas. The City selected Ground Keepers, Inc. to help guide us through the challenges of accomplishing this goal. Within the first year, the City began receiving positive feedback from the residents. After 8 years, the City has witnessed a transformation that is attributed to the hard work and guidance provided by Ground Keepers, Inc.

I would not hesitate to recommend Ground Keepers, Inc. for landscaping and maintenance services. If you require any further information, I can be reached at 305-558-4114 Ext. 213.

Sincerely,
