To Ira Grabow,

I would like to communicate my appreciation to Greenbrook Pools for the recent Collector Tank Installation and full equipment replenishment of our facilities Pool and Spa.

Greenbrook Pools from the inception of this project provided all aspects involved such as Engineering, Permitting, Installation and Finalization. Greenbrook Pools has met every deadline and commitment made and required by the city, county and state completing the work with expert workmanship and excellent communication throughout the entirety of the project.

Please do not hesitate to share this communication. I encourage the recipient to contact me directly with using the contact information provided below for further elaboration about my satisfaction with Greenbrook Pools.

David Cortina, Chief Engineering
