To whom it may concern

RE: Coral Gables Country Club Swimming Pool Repairs  
997 N. Greenway Drive, Coral Gables  
FL 33134  
Permit# PL-09-12-2994

We retained Greenbrook Pools as the contractor for the repair and modifications of the pool to meet Federal and State requirements.

The scope of the work was modification of the drainage system, pool replastering, and replacement of lights. Greenbrook Pools (Greenbrook at Kendall Inc.) completed successfully the above mentioned project, obtaining all required inspections.

The work was completed on time and within budget. The staff of Greenbrook Pools is very competent and responsible, and working with them was a positive experience.

I recommend them highly.

Please contact me if you have any questions.

Sincerely,
