RFP TASKS REQUESTED

LINE ITEM #1: Pool Renovations - UPDATED REPAIR SPECIFICATIONS.

UPDATED REPAIR SPECIFICATIONS NOW ATTACHED: PLEASE REVIEW ALL ITEMS.

Note that in the attachment:

Drawing 1 is the engineer's "as built," with resulting damage example.

Drawing 2 is the engineer's "Should be" spec.

See Attached ITEMS and LINE ITEM SPECIFICATIONS - THEY ARE UPDATED.

PRICING MUST BE ALL INCLUSIVE, including permits.

Any changes must be specified in Exceptions.

For any proposed additions beyond attached specifications, please use the "ALTERNATE PROPOSAL" option after submitting proposal against attached specifications.

Overhead view of pools is attached to this item. Note that Property Manager does NOT have copies of As-Built. This should be available from government permit records.

IMPORTANT: You MUST have \$1,000,000 of General Liability coverage if awarded this job. If you currently have less than this amount, then you MUST provide proof of increased coverage to meet this amount if awarded the job.

WORKERS COMP is REQUIRED to bid this job. EXEMPTIONS are NOT acceptable.

Warranty: SOUTHERN BLUE POOLS, INC. (HEREINAFTER "SBP") warrants the supplied products to be manufactured free from defects in material and workmanship. Under this warranty, SBP will supply the following products for replacement or will refund the purchase price of the products on this job if proven defective during the period shown starting from the date of substantial completion of the project installations when installed in applications considered by SBP (and or Material manufacturer (including Pecora) as suitable for these products and provided design, job conditions, and installations are in accordance with our published recommendations and recognized industry practices. SBP must be made aware of any problems in writing and will have thirty (30) days to conduct an inspection by a qualified representative to determine if our product is defective. This warranty becomes effective only upon full payment to SBP (lump sum of contract and any subsequent change orders approved by contract parties in writing) and becomes null and void if remedial repairs are performed without written authorization from either the manufacturer or SBP. This warranty specifically excludes failure of the repair areas due to: a) natural causes such as lightning, earthquake, hurricane, tornado, fire, etc.; b) movement of the structure resulting in stresses on the sealant which exceed any published specification for elongation and/or compression for the sealant, whether due to structural settlement, design error (SBP DID NOT DESIGN REPAIRS NOR DID SBP SELECT REPAIR MATERIALS) or construction error;
