

City of Miami Gardens

Department of Parks & Recreation

As the Aquatics Manager for the City of Miami Gardens, I have worked closely with many contractors and our department considers Greenbrook Pools to be the most studious and responsible contractor that we have worked with. After a short time, they have showed us that they are reliable and dependable service contractors who we highly recommend

Greenbrook Pools' knowledge and expertise have been invaluable to our aquatic facilities. In our opinion, Greenbrook's unwavering devotion exemplifies strong moral fiber and character. They are a trustworthy organization and would be an excellent candidate for your business endeavors.

Sincerely,

Christopher Williams
