Dear Vendor:

You are listed as a vendor in our referral system which is called TravReferral. We have recently reviewed your records and we do not have a current certificate of insurance on file.

Please forward the current certificate of insurance for Auto Liability, General Liability, and Work Comp via email to ptotz@travelers.com. In the message line please put your company name and what documents you are sending. If you prefer to fax or mail the documents, you can find my address and fax number at the top of this letter.

Please email or call me if you have any questions.

Thanking you in advance,

Peggy Totz
